Mr. Kelly

Our yearbook staff takes this opportunity to dedicate the 1972-3 TORCH to Mr. Richard E. Kelly; vice-principal, disciplinarian, and friend. He has contributed his own time so generously beyond the daily requirements of his post - to create and direct a variety of new activities and broaden the scope of those already existing.

We sincerely hope that this recognition will reflect our appreciation of his efforts and enthusiasm as he has worked for us during the past two years.

Klink, Klank, Klunk and ?

MUSICALE:

Mr. Richard E. ("Stagestruck") Kelly was producer of this year's Calliope talent show, assisted by Mrs. Christine Kite and Mrs. Donna Copeland, directors. The theme was "a day of TV" and evening performances on March 21 and 22 were warmly received by capacity crowds. (P S, We're already looking ahead to next year's show!)

Go sew, Ruthie!

3, 2, 1, pow. It didn't work, guys.

Easy does it!

A little messy, isn't it?

Friday afternoons this year, school was out early to allow time for - ACTIVITIES! New crafts, games and sports were offered each quarter, ranging from archery to yoga, with dozens of other choices in between. Activities were not confined to school grounds only. We traveled outside to swimming, ice skating, and bowling, too.

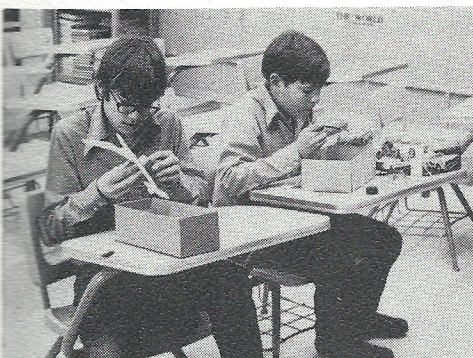

Knit one, drop two.

Cheers!

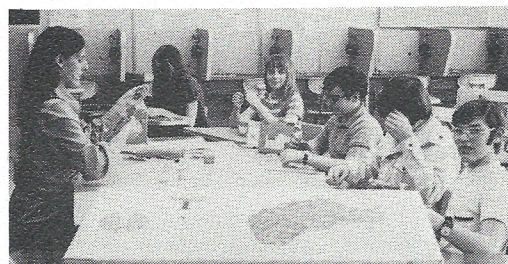

Momma mia, tasta good.

My airplane's better than yours!

Who's the guy with the girls?

Anyone for bead-ing?
