This is our program
 A Salute to Spring
 The orchestra will play
 Chorus will sing
 Music always goes with spring,
 So here we are to do OUR THING!

THE ORCHESTRA SWINGING

The orchestra sits here nice and proud,
 Sometimes they play soft,
 Sometimes they play loud.
 Our orchestra isn't renown
 But at their music you won't frown.

- El Tanguillo arr. Jurey
- Gaellic Circle Dance French
- Theme from Surprise Symphony Haydn
- Land of Fiesta Watters
 (Full Orchestra)
- Selections from "Hansel and Gretel". Humperdink
 (String Trio)

 (Wind Band)
- Tijuana Taxi Coleman
- Never on Sunday Towne
- By the Time I Get to Phoenix Webb

THE VOICES SINGING

The Modern Millies came today
 Just to chase your blues away!
 The songs they sing have a familiar ring,
 In moods of proud, happy and gay.

- Thoroughly Modern Millies Van Heusen
- Today. Sparks
- Windy. Friedman
- Raindrops Keep Falling on My Head Bacharach

We're much too busy to write a sonnet
 The train is in, and the
 Hobbledehoy's are on it!

- Jamaica Farewell Jamaica Folk Song
 - Blowin' in the Wind Dylan
 - Pick-a-Pocket or Two Bart
 (from Oliver)
 - Cruel War. Folk Song
 - Purple Mists: Jennie Ide, Lorna Ross, Carol Veithoner

 - Evolution Five: James Bilyeu, Diane Bristol,

- The chorus sings so straight and true,
 They're here to do their best,
 To drive spring fever far from you
 So lend an ear, they'll do the rest.

- The Alphabet (a musical joke). Mozart
- Thy Voice O Harmony. Haydn
 (A three part "crab" canon)
- Younger Generation Copland
- Scarborough Fair Old English
- Carnival of Venice with Partner Songs. . . arr. Thomas
