ASWC DIRECTORY 78-79

You Should Shop at Dodson's For her Diamond Because:

Dodson's probably has the largest selection of diamonds in the Inland Empire — which means you can find the shape, color, and size diamond she'll want, at the price you want to pay. We will explain the difference in quality and help you select the correct mounting. Convenient terms can be easily arranged. Come in. Have a talk with one of our diamond experts. He'll show you a diamond ring she'll treasure, so long as you both shall live.

Engagement rings from $125.

Holsum is baked just right for good flavor

The good Holsum dough slowly rises...
little flavor cups form...
Holsum Bread flavor is at its best.
Quickly...
the loaves move into the hot oven.
When you taste Holsum's
good bread flavor...
you'll be able to tell...
we took the time
to bake Holsum...
just right for you!

who am i to wander out of my fences
beyond reality
beyond myself
taken hold of mysteries too shallow
to see through —
memories of looks and hands?

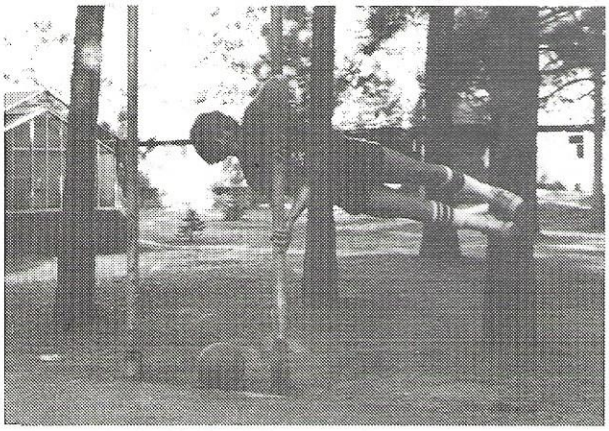

what is a moment
of something imagery —
inside your want only,
your secret hidaways —
for times of confusion
and runaway fears and thoughts

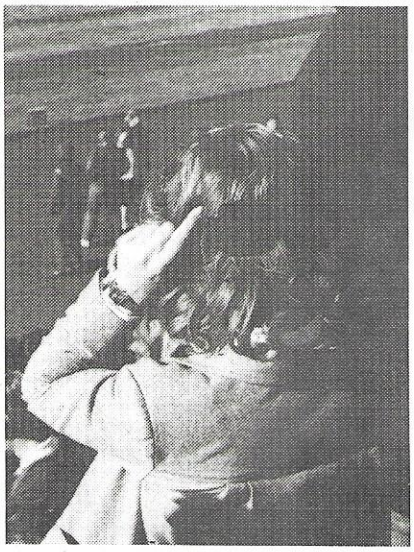

go ahead
you'll have to look up
you'll have to go on

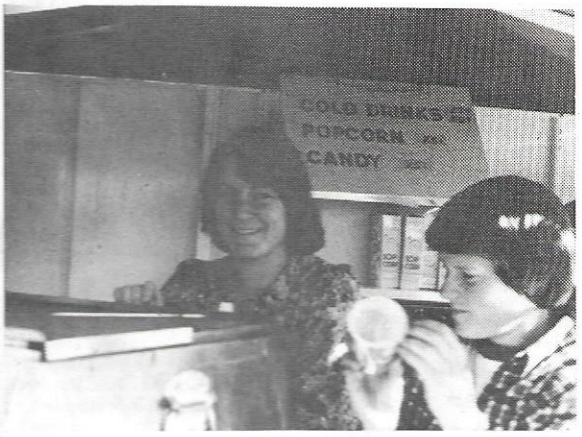

you'll have to. . . . . .

PIRATES
keep
em

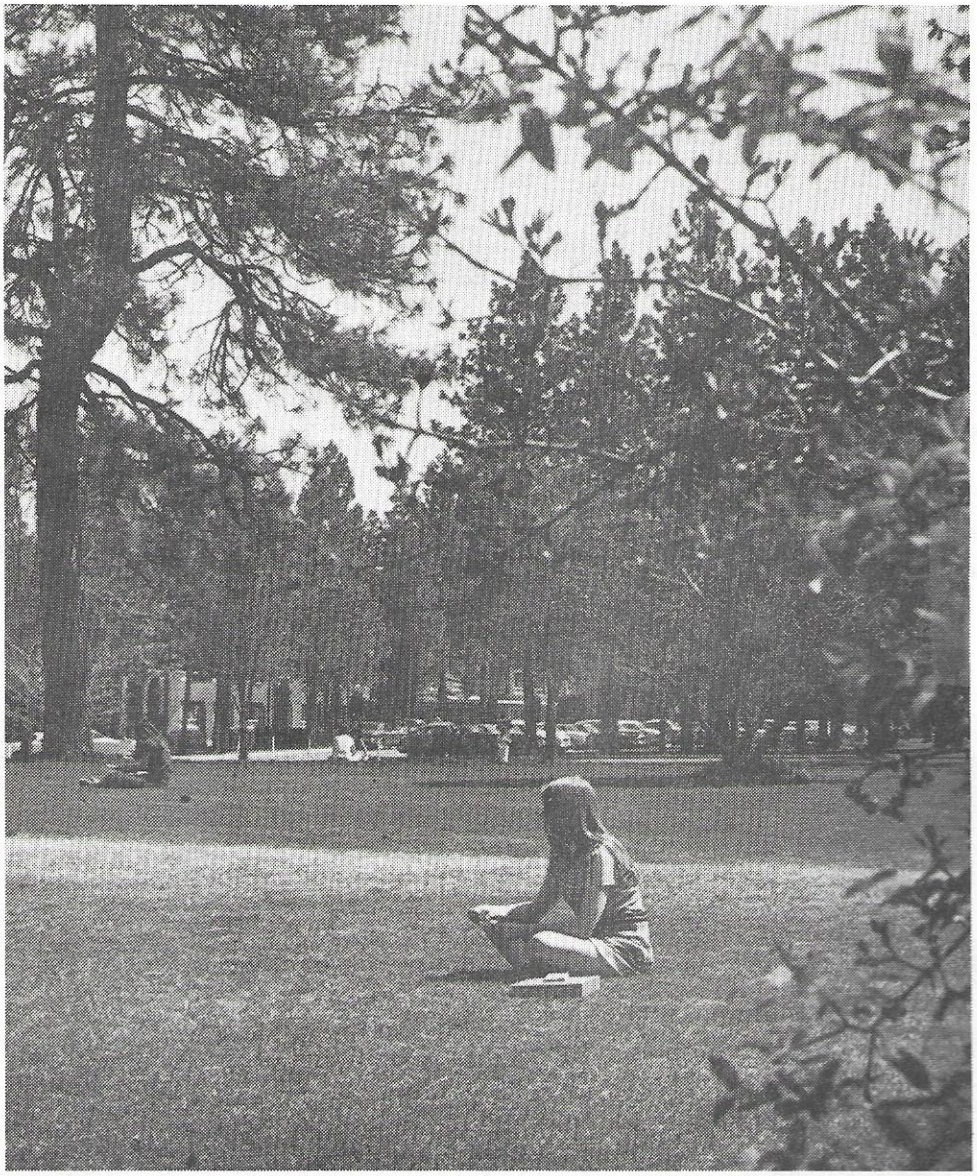

It is so fall
today
And i wonder
how to rest in it all

A kind of cold
that warms you
mystifies you
catching your spirits
to come out to play

Everything bright is fading
and all that was alive
is going
never before are dying stages
so careful and
captured by all

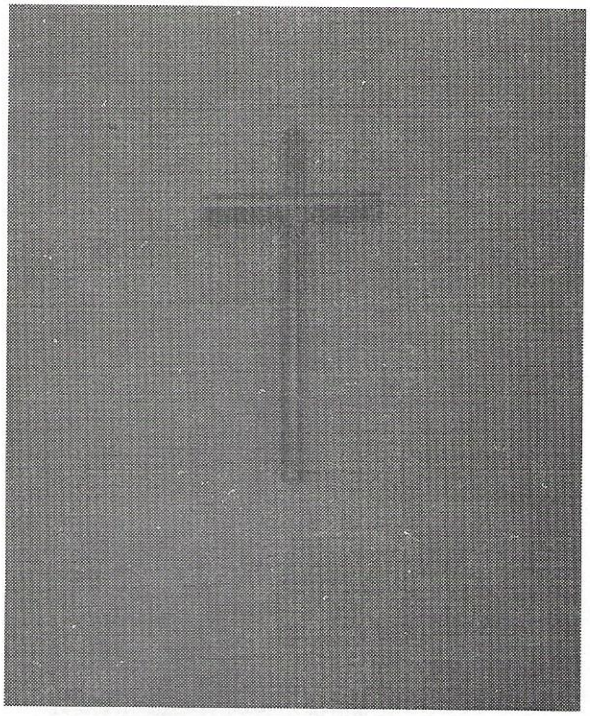

It is so fall
today, and i wonder

Oneness
with ones self
As no other. . . . . .

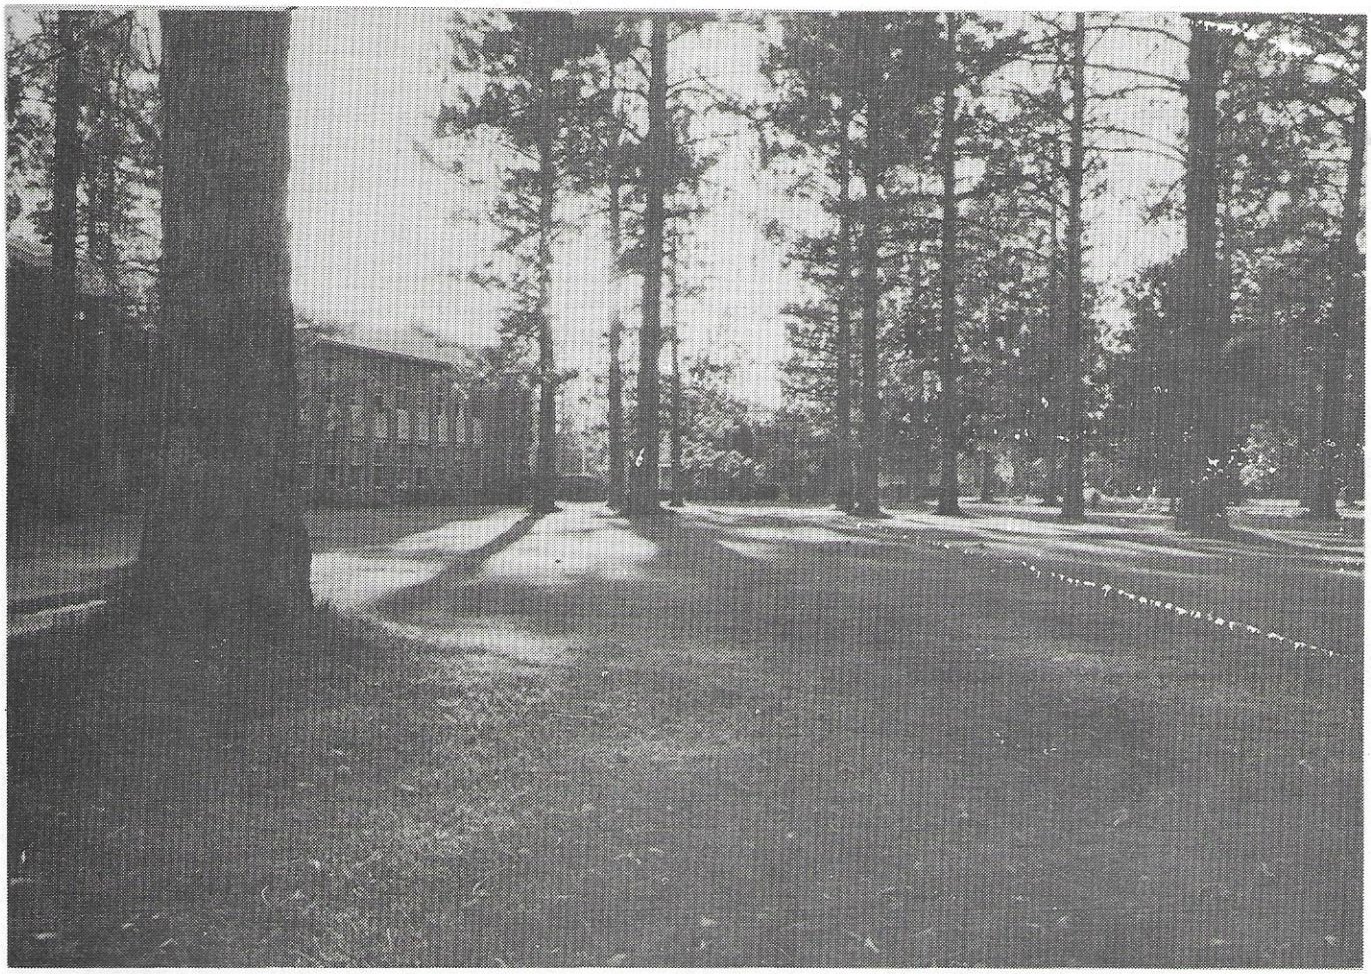

So-
You're on your own
Bound to roam
So young
To be sharing your dreams

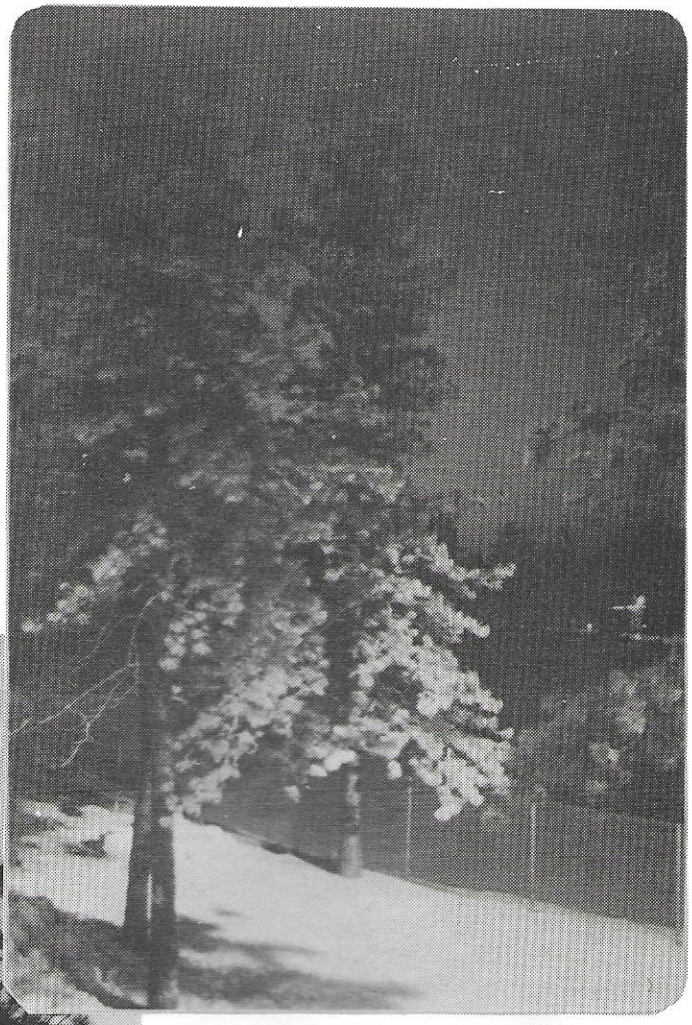

VICTORY !

what does it feel like
it is space erasing
all concentrations
a flow of energy and rest
time - - is pleasure unmeasured
it is to wander
to expansions of calmness
oneness with ones self
as no other - - together,
space is with you
and you arise, and come forward
to yourself.

this is my favorite,
the last awaken hour
when; am flooded
with endings of the day,
as the wind chases the wheat,
turn back and forth
with faded energy.

unsure of joy,
yet finding it doesn't matter
for somehow,
I am able to melt into the right,
as do the colors.
Ah, puzzled at new beginnings,
flashes of eyes, and all that is old
sometimes; can blow it away
and others - Age
has made no difference
yet - evening light is the pastels to me,
faint, and I feel fine.
